July 2024

UK REACH (EU Exit) Regulations 2019 (Statutory Instrument 2019 No. 758)

On the 1st January 2021 UK REACH Regulations entered into force.

At this time Capital Aluminium Extrusions Ltd (Capalex) does not supply any products to our customers that require registration with UK REACH.

Whilst governed by UK REACH Regulations we are also able to confirm that Capalex does not supply any products contained on the EU REACH 241 Candidate List of Substances of Very High Concern (SVHC).

As a company we are concerned about the environment and our impact on it. We are proactive in limiting the use of any chemicals and work closely with our supply chain to monitor chemical usage and ensure that all regulations are complied with.

If our monitoring in the future indicates a change REACH status for any product we supply to our customers we will inform those customers affected accordingly.
